1.2 Protokoll der 21. F-AZK

Herr Prof. Dr. Thuy berichtet, dass innerhalb der Verschweigefrist von zwei Wochen nach Versand des Protokolls der 21. F-AZK- Sitzung vom 27. März 2026 keine Einwände bei der Geschäftsstelle eingegangen sind. Das Protokoll gilt damit als genehmigt.

TOP 2: Bericht der Geschäftsführung

- Bericht der Geschäftsführung.
- Bericht über die Aktivitäten der FIBAA seit der letzten Kommissionssitzung.

Frau Dr. Rotermund berichtet über die Aktivitäten der Geschäftsstelle seit der letzten Sitzung der F-AZK.

April 2026

Frau Dr. Rotermund dankt Prof. Schneck in seiner Funktion als Vorstandsvorsitzender des Verbands der Privaten Hochschulen e.V. (VPH) für die Einladung zum VPH-Kongress am 23. April 2026 in Bremen. Sie hebt hervor, dass die Teilnahme der FIBAA eine wichtige Gelegenheit zum Austausch mit Vertreterinnen und Vertretern privater Hochschulen bot und zur Vernetzung sowie zur Diskussion aktueller Entwicklungen im Hochschulbereich genutzt werden konnte.

Mai 2026

Frau Dr. Rotermund informiert in aller Kürze über den für die FIBAA wichtigen ENQA Targeted Review

im Mai 2026. Das Verfahren sei insgesamt positiv verlaufen. Die im Rahmen des Reviews identifizierten Hinweise und Nachforderungen würden derzeit bearbeitet. Der abschließende Bericht der Gutachtergruppe werde am 26. Juni 2026 erwartet.

Juni 2026

Frau Dr. Rotermund weist auf einen gemeinsam mit der National Quality Assurance Agency for Education (NQAAE) der Republik Usbekistan durchgeführten Workshop am 3. Juni 2026 in Taschkent hin. Thema der Veranstaltung waren Qualitätssicherung im Hochschulbereich und internationale Programmakkreditierung. Die FIBAA wurde durch Frau Dr. Rotermund und Frau Bleshmudt vertreten. An dem Workshop nahmen mehr als 240 Hochschulleitungen, Qualitätssicherungsverantwortliche und internationale Expertinnen und Experten teil.

Zudem verweist sie auf den Aufruf seitens der NQAAE, sich als Gutachterin oder Gutachter anzumelden. Die usbekische Agentur sucht fachliche Verstärkung. In dem Rahmen soll auch eine Schulung für Gutachterinnen und Gutachter angeboten werden. Den Mitgliedern der Kommission wird eine Mitwirkung angeboten. Eine Einladung wird zeitnah folgen.

Juni 2026

In KW 24 war das australische Technologieunternehmen RipLTec zu Gast bei der FIBAA. Das Unternehmen entwickelt eine auf den Hochschulbereich spezialisierte KI zur Analyse und Auswertung von Hochschuldokumentationen. Im Rahmen eines Austauschs mit internationalen Partneragenturen wurden erste Ergebnisse und Anwendungsmöglichkeiten des Systems vorgestellt.

Ausblick

Frau Dr. Rotermund informiert darüber, dass drei Kandidatinnen und Kandidaten für die F-AZK gewonnen werden konnten. Dabei handelt es sich um zwei Kandidatinnen und einen Kandidaten für die Statusgruppe Berufspraxis. Die Berufung soll in der nächsten Sitzung des Stiftungsrates erfolgen.

Zum Thema Vietnam gibt Frau Dr. Rotermund bekannt, dass das Zulassungsverfahren der FIBAA beim vietnamesischen Bildungsministerium (MOET) derzeit läuft.

TOP 3: Akkreditierungspraxis

- Unterscheidung zwischen Doktorgrad und PhD:

Ausgehend von der in der vorangegangenen Sitzung angestoßenen Diskussion zur Unterscheidung zwischen Doktorgrad und PhD führt Frau Dr. Rotermund in das Thema ein. Im Rahmen der Diskussion werden Unterschiede und Gemeinsamkeiten in der akademischen Einordnung sowie die unterschiedlichen nationalen Rahmenbedingungen für Promotions- und PhD-Programme thematisiert.

Prof. Thießen fragt nach der konkreten Ausgestaltung von PhD-Dissertationen und äußert den Wunsch, beispielhaft eine solche Arbeit einzusehen. Zudem erkundigt er sich nach der Bewertung entsprechender Arbeiten durch die FIBAA sowie nach dem Verständnis des PhD in westlichen Hochschulsystemen und im internationalen Vergleich.

Im weiteren Verlauf erfolgt ein Austausch über unterschiedliche nationale Ansätze zur wissenschaftlichen Qualifizierung und Forschungsausbildung. Dabei werden verschiedene internationale Modelle der Promotion bzw. des PhD diskutiert, unter anderem am Beispiel Kasachstans. In diesem Zusammenhang wird erörtert, inwiefern sich wissenschaftliche Anforderungen und Qualifikationsprofile zwischen den Ländern unterscheiden.

Die Möglichkeit, hierzu weitere Informationen von der Hochschule beziehungsweise dem Programmmanagement einzuholen, wird angesprochen. Zudem wird eine bilaterale Klärung mit der Geschäftsstelle als möglicher weiterer Schritt thematisiert.

Prof. Schneck weist darauf hin, dass die Ausgestaltung wissenschaftlicher Qualifikationen und Forschungsstandards in der Verantwortung der jeweiligen nationalen Wissenschaftssysteme liegt.

Prof. Thuy bestätigt, dass die vorgelegten PhD-Studiengänge nach Einschätzung der FIBAA die geltenden Akkreditierungskriterien erfüllen.

➤ Proof of meeting this condition is requested until September 18, 2026

Period of Accreditation: March 12, 2025 until March 11, 2030.

Anmerkung: die zuständige Betreuerin war verstorben. Man hatte keinen Zugriff auf ihren Rechner und konnte in Folge keine Unterlagen einreichen.

C) Erfüllung von Auflagen

Im Vorfeld der Behandlung von TOP 4c erfolgt eine Diskussion zur Anwendung der in der vorangegangenen Sitzung angeregten „Grünen Liste“ für En-bloc-Entscheidungen bei Auflagenverfahren. Dabei werden Fragen zur Auswahl der auf die Grüne Liste gesetzten Verfahren sowie zu den zugrunde liegenden Entscheidungs- und Auswahlkriterien aufgeworfen.

Im Verlauf der Diskussion wird unter anderem vorgeschlagen, dass die Intensivleserin bzw. der Intensivleser bereits im Vorfeld auf Verfahren hinweist, die aus ihrer bzw. seiner Sicht nicht für eine Behandlung im Rahmen der Grünen Liste geeignet sind.

Die Kommission spricht sich dafür aus, Kriterien für die Aufnahme von Verfahren in die Grüne Liste zu erarbeiten und den zugrunde liegenden Auswahlprozess näher zu definieren. Prof. Schneck, Herr Széll und Prof. de Hesselle erklären ihre Bereitschaft, hierzu Kriterien zu erarbeiten.

Recommendation of the expert panel

Vote of the experts: Condition 3 is not fulfilled.

Prof. Renninger stellt als Intensivleser seine Einschätzung zum Verfahren vor und rekapituliert die erteilten Auflagen. Nach seiner Bewertung hat Coursera die vorgesehenen Maßnahmen zur Sicherstellung der Anforderungen umfassend dargestellt und ein entsprechendes Konzept vorgelegt. Die Auflage könne daher als erfüllt angesehen werden.

Im Rahmen der Diskussion wird angeregt, die positive Bewertung mit dem Hinweis zu verbinden, dass Coursera nach einem Jahr über die Umsetzung und Wirksamkeit des Konzepts berichtet.

Die FIBAA Akkreditierungs- und Zertifizierungskommission beschließt einstimmig:

Die Auflage gilt als erfüllt. Coursera wird aufgefordert, in einem Jahr Bericht zu erstatten.

Thus, according to § 7 (2) of the FIBAA General Terms and Conditions within the framework of procedures for the award of the FIBAA Quality Seal for certified education courses from December 2022, the professional certificate is certified.

Die FIBAA-Akkreditierungs- und Zertifizierungskommission beschließt wie folgt:

Der Zertifikatskurs wird gemäß § 7 Abs. 2 i.V.m. § 10 Abs. 1 (i.V.m. § 10 Abs. 4, Kursstart geplant für 19. Mai 2026) der Sonderbedingungen für die Vergabe des FIBAA-Qualitätssiegels für zertifizierte Weiterbildungskurse vom 01.01.2012 in der jeweils zum Vertragsschluss geltenden Fassung unter drei Auflagen für fünf Jahre zertifiziert.

Das Qualitätssiegel der FIBAA wird vergeben.

Auflagen:

- **Auflage 1:** Die Institution erstellt eine Workload-Berechnung für das Curriculum und die einzelnen Modulbeschreibungen, bei der 1 ECTS-Leistungspunkt-Äquivalent konsistent ca. 25 Arbeitsstunden entspricht sowie sämtliche Pflichtveranstaltungen einschließt. Zudem erstellt die Institution eine Modulbeschreibung für die „Facharbeit“. (siehe Kapitel 3.1)
- **Auflage 2:** Die Institution weist bis zum Kursbeginn den Zugriff der Kursteilnehmenden auf die erforderliche Literatur nach (siehe Kapitel 4.5).
- **Auflage 3:** Die Institution vermeidet in Kursinformationen und -unterlagen jegliche Verweise, die eine Gleichwertigkeit im Sinne einer Bewertung oder Anerkennung des Kursabschlusses mit einem akademischen Bachelorabschluss nahelegen.

Die Erfüllung der Auflagen ist bis Kursbeginn nachzuweisen. Sollte der avisierte Kursbeginn auf einen Termin nach dem 18. März 2027 verschoben werden, ist die Erfüllung der Auflagen bis zum 18. März 2027 nachzuweisen.

The FIBAA Accreditation and Certification Committee has taken the following decision:

According to § 7 (6) in conjunction with § 9 (1) of the FIBAA General Terms and Conditions within the framework of procedures for the award of the FIBAA Quality Seal for Programmes from January 1, 2021, the Bachelor of Arts in Accounting and the Master of Public Management study programmes are accredited.

According to § 7 (6) in conjunction with § 9 (1) of the FIBAA General Terms and Conditions within the framework of procedures for the award of the FIBAA Quality Seal for Programmes from January 1, 2021, the Master of Business Administration study programme is accredited with two (2) conditions.

For the **MBA**:

- **Condition 1** (see chapter 2):

The University ensures that the required professional experience corresponds to the defined

qualification profile of entrants and the study programme's objectives. Certified proof of this experience must be shown at the time of the admission. For an MBA programme, this translates into at least two years of professional experience after the first higher education qualification.

- **Condition 2** (see chapter 3.1): The University ensures that theoretical questions where possible, are explained by means of practical examples from the lecturers' own business experience.

➤ Proof of meeting these conditions is to be submitted by March 18, 2027.

Period of Accreditation: June 19, 2026 – June 18, 2031

The FIBAA Accreditation and Certification Committee has taken the following decision:

According to § 7 (6) in conjunction with § 9 (1) of the FIBAA General Terms and Conditions within the framework of procedures for the award of the FIBAA Quality Seal for Programmes from January 1, 2021, the study programmes are accredited with four conditions.

Conditions:

- **Condition 1** (see chapter 3.2.2): The University needs to ensure that all students receive a Diploma Supplement including an ECTS Grading Table along with a Grade Distribution Table, their degree certificate, and transcript upon graduation. This requirement must be stipulated in a binding document.
- **Condition 2** (see chapter 3.3.2): The University includes literature/references in the English course descriptions and keeps them up to date.
- **Condition 3** (see chapter 5.1): The University implements a student workload evaluation system for each course which includes a systematic control loop from the survey to the analysis of the results and the taking of appropriate measures.
- **Condition 4** (see chapter 5.1): The University includes in its quality management system appropriate procedures for a regular monitoring and updating of the learning outcomes.

➤ Proof of meeting these conditions is requested until March 18, 2027.

The FIBAA Accreditation and Certification Committee has taken the following decision:

According to § 7 (6) in conjunction with § 9 (1) of the FIBAA General Terms and Conditions within the framework of procedures for the award of the FIBAA Quality Seal for Programmes from January 1, 2021, the study programmes are accredited with six conditions.

Conditions:

For all programmes

- **Condition 1** (see chapter 3.1.7): The University adjusts the allocation of credits to correspond to the actual workload of the final thesis, either by increasing the number of credits awarded or by reducing the workload requirements.
- **Condition 2** (see chapter 3.2.2): The University needs to ensure that all students receive, upon graduation, a complete Diploma Supplement prepared in line with the European model of the Diploma Supplement. This includes, among other documents, the degree certificate, transcript of records, an ECTS Grading Table, and a Grade Distribution Table. The issuance of these documents must be regulated in a binding institutional document.
- **Condition 3** (see chapter 3.4.1): The University enhances the international related activities and contents in the curriculum.
- **Condition 4** (see chapter 4.4.1): The University increases the size of the studios, updates the equipment, and provides adequate design studio spaces for students to work independently and collaboratively. These spaces should, where possible, provide natural light, sufficient ventilation, and wheelchair accessibility.
- **Condition 5** (see chapter 5.1): The University systematically uses the results of student surveys for the continuous improvement and further development of the study programmes.

And additionally for the **Bachelor of Art Education (AE)**:

- **Condition 6** (see chapter 3.1.3): The University introduces a course that combines art practice, art history, philosophy of art, art education and didactics in an integrated manner.

And additionally for the **Bachelor of Visual Communication Design (VCD)**, **Bachelor of Interior Design** and **Bachelor of Fashion Design**:

- **Condition 6** (see chapter 4.4): The University must improve the technical equipment by providing software licences that students can use on their personal devices and/or by upgrading the available campus hardware and software infrastructure.

➤ Proof of meeting these conditions is requested until March 18, 2027.

Period of Accreditation: June 19, 2026 until June 18, 2031.

The FIBAA Quality Seal is awarded.
