DID YOU KNOW THIS ABOUT THE FIBAA QUALITY SEAL?

- It is a registered trademark in the EU and Switzerland.
- It is the world’s first certification of its kind.
- It defines quality standards and criteria for digital education that are internationally comparable.
- It is applicable for institutions, on department or programme level.

WHY SHOULD YOU APPLY?

- You aim to stay at the forefront of innovations and best practices in digital education and transformation.
- You aspire to be a benchmark in digital teaching and learning – both locally and internationally.
- You aim to win over your stakeholders by demonstrating excellence in digital education.
- You create a comprehensive picture of your digital transformation during the self-assessment.
- You gain valuable insights and suggestions for further development from a FIBAA Expert Panel during the certification process.
